VOL 4. AUG 1991

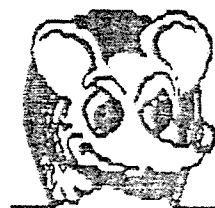

Hi to you all once again. Please note that the field course is now **CLOSED** for the duration of Lambing. The recent spell of warm weather has hurried up some of the Kennedy's Bush Blondes, so the cockie has asked us to kindly keep off the course in order for his girls to remain calm. He's probably seen that spring gleam in Rogers eyes and some of the better looking sheep have been a bit on edge !!!!! The committee will advise you all as soon as we get the word, and we will re-schedule our now cancelled August trophy day, to the first suitable weekend following re-opening of the course. We

will also be doing a a major working bee beforehand with a big tidy-up required following the winter. Clyde has done up a number of new target faces so the course should be refreshingly different.

HUNTING !!!! With regard to hunting goats on the far back country belonging to our hosts at Kennedy's Bush. It has been brought to the attention of the committee that a number of bowhunters have been straying on to the neighbouring property in hot pursuit of the their quarry. This practice should cease immediately, as we do NOT currently have permission to hunt on the adjoining properties, so until we do, please do not venture outside the boundaries. Better still if you are unsure of where those boundaries are, do not go hunting in the area !!

Even though we are unable to use the course for the next month or so, this should not be a time to hang up your bow. Blair and Wendy will welcome you with open arms at their indoor facility, and are planning a "Fun" night on 31st August which should be a great night outfurther details are included in this newsletter. And of course you can always use the opportunity to get out and do a bit of spring hunting. Faye will be planning an excursion or two to Whitecliffs so give her a tingle to check it out, And if you are really at a loose end on those balmy spring nights don't forget it only takes a couple of phone calls to organise a Big Game Safari out to Lincoln's Rodent Ranchero, keeping in mind that you will have to provide your own dogs to keep the man-eating ferrets at bay !!!

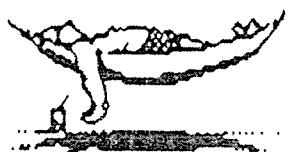

Congratulations to everyone who took part in the South Island Indoor Champs, it was really heart-warming to see our members shoot so well, especially Blair and Wayne who proved to be in a class of their own (Ladies Compound !!).

Wayne Funnell went on to the National Indoor champs held at Hamilton 10/11th August and took out the silver medal in his class (Senior mens Compound). A marvellous effort Wayne, it is just a pity that Blair was unable to attend the nationals as well because these two guys would show the established stars of the north that they are in for a big shake-up by the mainlanders!!

It also proves that if you put quality time into your shooting

then the results will come, If you dont practice enough then you aren't going to foot it when the pressure goes on - and that goes double for hunting situations !!! If your a lousy shot, you will be a lousy bowhunter. So put the time into it and reap the rewards !

Brian Shaw has been walking around with a fairly big smile on his face in recent weeks too. he managed to nail a 26 kg pig on a recent hunt and this was his first big game animal, since he shoots a PSE 3-D it doesn't surprise me in the least so he is now out glassing for his next trophy - he reckoned he spotted one of these near target 15 the other day !!!!

But it turned out to be Grub in his new camo ensemble, looking for a couple of his arrows in the lake !!

Take care, and above all else, enjoy your archery

Cheers Pad

...RESULTS S.I. INDOOR CHAMPS, 27 & 28TH JULY...

Well several of our members took part in the recent South Island Indoor Archery Champs, hosted by the Christchurch Archery Club, and experienced a very memorable weekend. Nearly all the bowhunters who took part shot extremely well, and proved the value of regular indoor shooting, showing that in most cases we can shoot as good as, if not better than the target folks.

The hospitality was top notch, as was the food and refreshments, albiet non-alcohol; and the competition was very intense at times, especially between some of the bowhunters, and the recurve target people.

Shooting a 40cm face from 25 metres took a bit of settling into for the first 2 rounds, but it certainly made the 60cm Portsmouth round at 18 metres seem huge by comparison.

Blair and Wayne showed the way in the Mens compound division by a country mile, with Blair setting a high total for the new FITA 25 metre round, and equalling the New Zealand record of 599 (out of 600) for the 18m Portsmouth.

For all of you who didn't make this shoot I must say that you missed a great weekend, it was very relaxed and sociable (off the shooting line that is), it was the first indoor tournament, or any other tournament for that matter, that I have been involved with, with the Christchurch Archery Club and I must give Dave Henshaw and Joyce Cattermole top marks for a well organised, professionally run Tournament that was thoroughly enjoyable to be a part of. See you all there next year !!!!!

The results were as follows: (Chch unless stated)

MENS COMPOUND: 25m FITA 25m FITA 18m P'mth TOTAL
